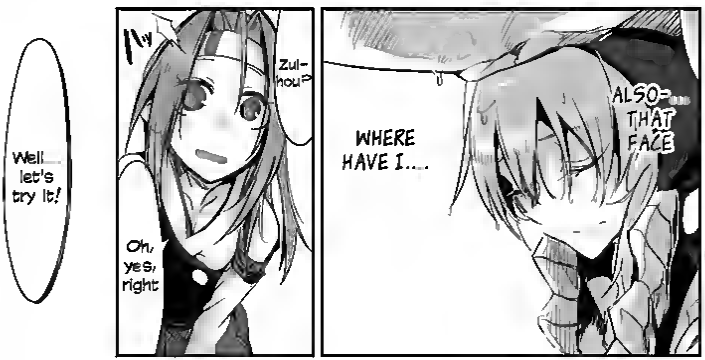
W... what's going on, isn't that-!?
about that...

On the way back from the expedition we found this thing lying on the beach
The Raiden Sisters said we had to rescue her no matter what...

If it's Zuihou you can fix her, right!?
Aren't you a med-chanic?
We can't waste any time!
Well it's hard to refuse when you beg me like that
If there's an example of rescuing the enemy



WHERE HAVE I....
ALSO-... THAT FACE
Zui-hou?

Well... let's try it!

ALTHOUGH SHE'S CURRENTLY WOUNDED AT THE END OF THINGS THEY'RE STILL OUR ENEMIES
MAKEOVER~
Although I said that...
an abyssal or whatever...
How am I supposed to go about repairing it~!?
ALTHOUGH I CAN'T FORGIVE THEM

WE MIGHT FIND A WAY TO REDUCE OUR OWN CASUALTIES?
BUT... IF WE CAN UNDER-STAND THE ABYSSALS MORE
IF IT WAS KAGA-SAN... THAT'S WHAT SHE'D DEFI-NITELY TELL ME.
Okay! Now that we've got that down.
we can remove the mod-ules
